BRAIN GAPS

THE LEFT-TO-RIGHT SCAN HALLOWEEN CHALLENGES

FREE SAMPLER • 4 Scan Puzzles + 4 Coloring Pages

Welcome, Super Scanner!

Spooky-fun puzzles that train your eyes to scan from left to right, just like reading.

HOW TO PLAY

- 1 Look at the Tally Icon at the top of the page.
- 2 Put your finger on Row 1. Slide it slowly from left to right.
- 3 Count every picture that matches the Tally Icon. Write the number in the Row Tally box.
- 4 Do all 10 rows, then add them up for your Final Tally.
- 5 Flip the page and color the characters you just found!

TIPS FOR GROWN-UPS

Watch out for look-alikes: each page hides a tricky twin that looks a lot like the Tally Icon. Answers are on page 11. Crayons and colored pencils work best on the coloring pages.
